25-2 CHAIRMAN'S REPORT

For me, the last twelve months have felt the first fully normal twelve months post Covid.

I would like to thank both District Councillor's, Mary Robinson, and Michael Hanley for all their support and regularly attending our meetings over the last twelve months and look forward to continuing with our partnership approach going forward.

Over the last twelve months we have been able to continue to maintain the increased level of monetary donations to the Community Centre, Swimming Pool, Addingham Church, Memo, Air Ambulance etc, in addition to these we have also provided additional monetary grants for the Community Centre fencing project and the Swimming Pool improvements project, which also includes new fencing, both of which are complete and in my opinion look really good and I am sure you will all agree, a vast improvement on the fencing they replaced.

I would also like to thank Bryan and Jennifer for all their work in getting all Parish Land formally registered with the Land Registry, this has been a lengthy process, the finishing line is in sight and hopefully this matter will be concluded in the not-too-distant future.

Finally, I would like to thank all Councillors for their efforts over the last twelve months, and of course a big thank you to our clerk Helen

25-3 ANNUAL ACCOUNTS.

The annual accounts were presented which show a bank balance of £5482.62. The Parish Precept was maintained at £5400 and other sources of income also remain the same.

25-4 OTHER PARISH MATTERS

Nothing to note
